Subject: Clean our river and promote our economy

Please reject any cleanup plan that doesn't respect the harbor's important role in our economy.

First, let me say that I strongly support a cleanup of the Willamette River. However, I also don't think that our local businesses and families can afford to pay huge bills for the cleanup. The EPA should make sure the cost to implement the plan is reasonable.

Thank you for your service to our country. I know you'll do the right thing to protect our health and our jobs.

Sincerely,
